Royal Oak Exchange, J. L. HODGE, Agent.
June 8, 1839. 24-3

ROBERT THOMPSON announces to the public that he has opened a House of Entertainment in the town of Woodville, in the commodious buildings fronting the Court House, on the West side of the Public Square, where travellers and others can be cheaply and comfortably entertained. His cooks, skilled in the culinary art—his bar supplied with the choicest liquors—his beds cleanly and warm; and his stables, well provided with provender, and attended by careful hostlers, he confidently asserts that both man and beast will find with him every thing conducive to their comfort and convenience.

January 27, 1839. 5

PETERS' VEGETABLE PILLS.

THESE Pills have long been known, and appreciated for their extraordinary and immediate power of restoring perfect health, to persons suffering under nearly every kind of disease to which the human frame is liable. In many hundred of certificated instances they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved that it has appeared scarcely less than miraculous to those who were unacquainted with the beautiful philosophical principles on which they are compounded, and on which they consequently act.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the daily press, for placing his **VEGETABLE PILLS**, within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, these Pills are purely and solely vegetable, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists; are altogether unknown to the ignorant pretenders to medical science, and were never before administered in so happily efficacious a combination.

Wherever these pills have been once introduced into a family, they become a standing remedy, and are called for again and again, which is sufficient proof of their good qualities.

It is a truth, that almost every person who has ever used Peters' Vegetable Pills, recommend them to their friends, and it is from this circumstance alone, that they have gained such an unrivalled reputation.

When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of bilious fever, fever and ague, dyspepsia, liver complaints, sick head ache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, cramp and bilious colic, female obstructions, heart burn, pleurisy, furred tongue, distention of stomach and bowels, incipient diarrhoea, habitual constipation, loss of appetite, bloated or swollen complexion, and in all cases of torpor of the bowels, when a cathartic or an aperient is needed. They have the testimony of the whole medical professions in their favor, while not a single case of ill consequences or inefficiency, can be alleged against them. Prepared by Jos. Priestly Peters, M. D., at his Institution, for the cure of obstinate diseases, by means of Vegetable remedies, No. 139, Liberty street, New York. Each box contains 40 Pills—price 75 cents. More than three millions of boxes of these celebrated Pills, have been sold in the U. S. since January 1836. Dr. Peters has received upwards of fifteen hundred certificates, all given in consequence of the good done by his Medicines.

Clarkville, Mecklenburg Co. Va., Feb. 7, 1837.

Dear Sir—I embrace this opportunity of expressing to you my pleasure at the unrivalled success of your pills in this section of the country. It is the general fault of those who vend patent medicines to say too much in their favor; but in regard to your pills, I am firmly persuaded that they deserve far more praise than you seem inclined to give them. Six months ago they were scarcely known here, and yet at present there is no other medicine that can compare with them in popularity. In Dyspepsia, sick Head-ache, derangement of the Biliary organs, and obstinate constipation of the bowels, I know of no more prompt and efficacious; and I have had considerable experience in all these complaints.

I would add that their mildness and certainty of action rendered them a safe and efficient purgative for weakly individuals; and that they may be given at all times without apprehension of any of those injurious consequences which so frequently attend the application of calomel, or blue pill. On the whole I consider your Vegetable Pills an invaluable discovery.

Very respectfully, T. H. HARRIS, M. D.

Charlotte, N. C. Jan. 1, 1837.

Dear Sir—I have made frequent use of your pills in the incipient stage of Bilious Fever, and obstinate constipation of the bowels; also in the enlargement of the Spleen, Chronic Diseases of the Liver, sick Head-ache, General Debility, and in all cases have found them to be very effective.

J. D. BOYD, M. D.

Mecklenburg Co. Va. Feb. 7, 1837.

Having used Dr. Peters' Pills in my practice for the last twelve months, I take pleasure in giving my testimony of their good effects in cases of Dyspepsia, sick Head-ache, Bilious Fevers, and other diseases, produced by inactivity of the liver.

They are a safe and mild aperient, being the best article of the kind I have ever used.

GEO. C. SCOTT, M. D.

The following is from a highly respectable planter of Burke Co., Ga. July 10, 1837.

Peters' Pills—I have given them a fair trial; nearly three dozen boxes having been used on my plantation within the last year, and their administration has been attended with more success than any other I have ever used; I take pleasure in commending them to my friend and neighbors—They are handy, safe, and efficient, and need but a trial to be approved.

These invaluable Pills are for sale at Jesse Saunders store Commercial Row, Woodville. Also can be had at Fort Adams and Pinkneyville, and on enquiry can be had in every town in the State.

TAX COLLECTOR'S SALE.

I WILL proceed to sell for cash before the Court House door of Wilkinson county on the first Tuesday in October next, the following described Tract of Land or so much thereof as will settle the Taxes due thereon for the years A. D. 1837 and 1838, said Tract contains 900 Acres, situated on Clarke Lake, bounded on the West perhaps by the Mississippi river, on the North and South by lands belonging to Thompson and McMurren, and on the East—

said land was assessed as the Barland tract of land, the amount of Taxes due for said years \$48, 09 exclusive of cost.

WM. T. JONES,

Tax Collector of W. C.

March 12, 1839 12-1f

TAX COLLECTOR'S SALE.

I will proceed to sell for cash, before the Court House door, of Wilkinson county on the 1st Tuesday of October, next, the following described property, to wit. one lot lying in the town of Woodville; bounded on the North by Water street, on the East by a lot of Dr. Moise, on the South by a lot of John S. Lewis, and West by the Public Square and property of Jacob Keller; or so much thereof as will settle the Taxes due thereon for the year A. D. 1838—Said lot was assessed as the property of Francis Keller's Estate Amount tax due, exclusive of cost, \$16 25.

W. T. JONES, T. C. W. C.

Woodville, April, 11th 1839.

TAX COLLECTOR'S SALE.

I WILL proceed to sell for cash, before the court house door of Wilkinson county, on the first Tuesday in January next, the following described tract of Land or so much thereof as will settle the tax due thereon for the year 1838, to wit: five hundred acres of land bounded on the east by land belonging to the estate of Wm. Stewart, and on the north, west and south by lands belonging to Mason E. Saunders—and said land being assessed as the property of Stephen Henderson's estate. Amount of tax due on said land as above described \$10 15, exclusive of cost.

WM. T. JONES, T. C. W. C.

June 25, 1839. 28m

JEFFERSON COLLEGE,

WASHINGTON, MISSISSIPPI.

25th April, 1839.

THE additional building for this Institution being now complete, the College is ready for the reception of students.

FACULTY.

The Rev. A. STEPHENS, President—Professor of Moral and Intellectual Philosophy, Belles Lettres, &c. The Rev. A. STEPHENS, Professor of Ancient Languages.

Doctor Leonard D. Gale, Professor of Natural and Experimental Philosophy, Chemistry and Mineralogy. Jacob Ammen, Professor of Mathematics and Civil Engineering, and Superintendent of the Military Department.

Professor of Topography, Drawing, Painting and Lithography.

J. A. T. MIDDENDORF, Professor of Modern Languages, and assistant Prof. Ancient Languages.

Mr. William Whelden, Assistant Tutor in the Preparatory department.

Mr. John W. Langstaff has been elected Steward of the College. He and his wife are experienced boarding-house keepers, and have been highly recommended for the ample and neat style of their table, and for attention to their boarders in health and sickness.

Parents and guardians of youth who may be sent to this Institution, may feel confident that their children and wards, whilst under the instruction of the present Faculty, must rapidly advance in moral and intellectual attainments; and that by the Steward of their real wants or comforts will be overlooked or neglected.

TERMS OF TUITION, &c.

For students in the College proper, per session, of five months, \$25 00

For students in the Preparatory department, per session, 15 00

There will be no extra charges except the matriculation and graduation fees.

BOARDING, &c.

For boarding per month, 13 00

For Washing, per month, 2 00

Use of bed and bedding when furnished by the Steward, per month, 3 00

For candles, per month during the first session, 0 50

For do. during the second, or winter session, 0 75

For fuel during the first session one dollar, and for the second session four dollars, making five dollars per annum.

Tuition and board will be required in advance for each session.

A Commissary will provide and keep constantly on hand class books prescribed by the President and Faculty, and other articles of stationery. Also, articles of clothing, with all of which students may be supplied at lower prices than they can be obtained elsewhere.

The military organization having heretofore been found to be highly attractive and very efficient in maintaining a wholesome discipline, has been adopted. The military science or art of war, however, is not taught in this institution. The military drill is resorted to, to fill up in part the intervals usually devoted to recreation, and enforce manly and healthful exercises.

From considerations of economy, as well as to prevent inviolable distinctions, and to produce feelings of equality among the students, a uniform dress is required.

The classical and scientific instructions in this Institution, will be as extensive and thorough as in any other College in the United States. The French, Spanish and German languages, will be taught, and also Civil Engineering, with practical operations in the field, with the use of instruments.

Instruction will also be given in Topography and Drawing.

An extensive chemical and philosophical apparatus and mineralogical cabinet are provided, and a well selected Library is open to the use of students without charge.

For further particulars, reference may be had to the By-Laws and Regulations of the College.

LEVIN WAILES,

Secretary Board of Trustees.

Washington, April 25th, 1839. 30m3
